2024

We are excited to announce our 5th annual Wells Fargo Championship Women's Day presented by Atrium Health. This year's event features a more intimate and golf-focused experience that will enhance women's confidence and enthusiasm around the sport of golf. Set in a fresh venue, you'll enjoy a handcrafted menu featuring hors d'oeuvres, desserts, and refreshing beverages. The day will kick off with the opportunity to make new friends, followed by friendly competition in various golf skills clinics with the chance to win exciting prizes. Women Golf Professionals will lead rotating stations that will cover golf etiquette, fundamental chipping and putting techniques, and tips on how you can actively engage in the game. Get ready for a day of golf, camaraderie, and celebration!
